Approved June 19, 1900.

JOHN A. McCANDLESS
Supt. of Public Works.

FOREIGN NEWS

LONDON, June 12 (3:30 a. m.)—Fifty thousand British troops are within half a hundred miles of the marauding Boers north of Kroonstad, and they are expected, of course, to make short work of them. Nevertheless, outside of the War Office telegrams, no one knows what is going on.

Machadorp has been officially proclaimed the capital of the Transvaal. A Lourenzo Marques dispatch says that the village has swollen into a small city, the majority of the inhabitants living in tents.

SHANGHAI, June 11.—Kuang Su, Emperor of China, has appealed to the Powers of the world to rid him of the domination of his dunt, the Dowager Empress Tsi-Hsi. He's trying to overthrow her.

LONDON, June 12, 3 a. m.—Shanghai, under today's date, reports that there has been street-fighting in Peking since early Sunday afternoon.

The Russians are making large purchases of canned provisions at Shanghai, and everything points to an outbreak of hostilities. All British missionaries will probably be ordered to return quickly to treaty ports.

At Tien-Tsin, the Viceroy finally consented to furnish transport for a relief force of 400 under an American commander. The partial restoration of the railway is expected to be effected by tomorrow. More massacres of Christians are reported.

SAN FRANCISCO, June 12.—A mob of Chinese armed with cobbles and clubs dragged Quong Fook, an undertaker, from his wagon on Washington street, near Kearney, last night and would have murdered him but for the prompt interference of James Cunningham, an interpreter, who saved the man from the vengeance of the crowd until help arrived.

VICTORIA, B. C., June 11.—News was brought by the steamship Queen Adelaide of an extremely narrow escape from a Russo-Japanese war about the beginning of May. The threatened struggle would have been on before now, according to the advice received from Japan, had it not been for the refusal of Great Britain to aid Japan against Russia, owing to the fact that her forces were engaged in South Africa.

TELEGRAPHIC ITEMS

"Germany adheres to her idea of joint action by the powers in China.

The administration has arranged for the sending of American troops from the Philippines to China.

As regards Bryan's nomination Senator Jones said there was not the slightest doubt that it would be speedily accomplished.

Lord Roberts has wired Cape Town that prior to Wednesday he liberated 151 officers and 3,500 of the rank and file. The Boers consequently took off only 160.

The Peking correspondent of the Times, says: "Changes have been made in the Tsung-Li-Yamen. One Chinese has been retired and four Manchurians rigidly conservative have been appointed.

A Boer deserter who arrived at Maseru yesterday asserts that 7,000 Boers participated in the Rooikrant engagement; that General Olivier was killed and General de Villiers mortally wounded.

The expedition to Abyssinia fitted out and headed by William Fitzhugh Whitehouse of Newport, R. I. for the purpose of exploring Lake Rudolf, safely returned to Mombassa, on the east coast of Africa, June 10th.

Food is still scarce at Mafeking, but the railway is nearly repaired. Twenty-two rebels have been arrested in the Vryburg and Mafeking districts. Sixty-five men were marched into Mafeking by two of their late prisoners at Mosh'la.

At Machadorp President Kruger has a body guard of 1,000 burghers. Stores are being moved as quickly as possible from that point to Lydenburg. The Portuguese authorities sent a further body of troops to the border today.

The American young women who are nursing in the hospital at Ladybrand have been slighted by the Boer women, who are nursing the Boer sick in the same hospital and have been made the object of unpleasant remarks, because the Americans are nursing the English.

The United States cruiser Albany, which was placed in commission at Newcastle-on-Tyne May 30th and under orders to proceed to the Mediterranean, arrived at Southampton today. The United States training ship Buffalo, which sailed from New York April 19th for a cruise in the Mediterranean, has also arrived.

It is reported that the head of a foreigner has been seen exposed on a pole northwest of Tien-Tsin. The Chinese are fleeing from Peking and Tien-Tsin to Shanghai. There are ominous indications of outbreaks in the Yang-Tse district. All classes of natives in the north display intense hostility towards foreigners, and the Chinese soldiers point their guns at foreigners as they pass.

The Treasury Department has ruled that all steamers of the Pacific Mail S. S. Co., Occidental and Oriental S. S. Co., and Togo Kisen Kaisha, are allowed to take lay over passengers as heretofore; and that therefore all passengers arriving at Honolulu by any of the three lines may stop over and proceed to destination by any following steamer of any of the three lines.

The "Observatore Romano" publishes a letter from Archbishop Ireland to Cardinal Rampolla, Papal Secretary of State, warmly protesting against a recent statement by the "Journal de Geneve" which he characterizes as "falsified"; that he wrote to the Duke of Norfolk denouncing the temporal power of the Pope and the methods of the congregations and the Roman Curia. Monsignor Ireland declares that he speaks and thinks with the Pope on such a serious matter, and he reserves to himself the right to repeat these declarations by word of mouth to Cardinal Rampolla when next he visits Rome in order to avail himself of the Pope's jubilee and to receive the Papal benediction.
